**Start now into a solid future with real perspectives
for our fully inpatient facility as**

Nursing assistant (m/f/d)

Full- or part-time (20 to 40 hours per week) – Day and/or night service

„Haus Havelblick“ is a senior citizens' and therapy centre in beautiful Berlin-Spandau. As a large company, we employ around 350 staff in the areas of care, therapy and housekeeping. With our main residential areas dementia (partially protected and protected), coma vigil/ respiration and psychiatry. The direct location at the waterfront, the modern facilities and the good working conditions make our home particularly attractive for employees and a nice place to live for residents.

The fate of Ukraine moves us very much and we would like to offer several refugees (also with children) a job and accommodation with us at Haus Havelblick.

This will be your area of responsibility:

- Activating basic care
- Treatment of people with various medical conditions
- Assistance and support with food/drink intake
- Supporting residents in everyday activities and promoting their individual resources

Requirements you should bring with you:

- You have successfully completed training in nursing
- You have experience in care in an inpatient or similar facility
- Positive attitude and pleasure in dealing with elderly people and people in need of care
- As a real team player personality you prove your social and communicative strength

What we offer as an employer:

- Temporary appointment with attractive pay plus care- and shift- allowances, Christmas bonus & 30 days holiday
- You can work full- or part time (20 to 40 hours per week)
- We offer you accommodation in a Ukrainian shared apartment with us in the retirement home
- Reciprocal childcare is provided
- Online language courses to learn German language
- We will train you in detail
- Meals will be provided (breakfast, lunch and dinner)

Please feel free to call us or send us an e-mail.

We look forward to receiving your application as a nursing assistant (m/f/d).
